**ALMOST EVERY MORNING...**

It's time  
to wake up,  
Levan.

Don't bother.  
He won't wake  
up since he slept  
pretty late.

Heh~~~  
But you promised  
that you'll see  
the prof. in the  
morning~!

Just leave him  
be, he must've  
been very tired.

UGH... THEY'RE SO NOISY...

What should  
we eat today?

Ah~~  
I want to  
eat steak!

Levan!  
If you don't  
wake up, then  
Ophelia will  
get angry!

By then,  
I won't be  
able to help  
you...

But, he  
hasn't eaten  
his veggies  
since  
yesterday~
